

RUN KICK SCORE

Indoor Soccer – Session I October 26, 2018–January 15, 2019

The YMCA will offer a nine-game recreational indoor soccer league focusing on skill development without postseason play. Play days and times vary by division with the earliest game times given to the youngest age divisions. All players register themselves and receive a shirt at the first game. During the registration process, players will list their coach/team name or ask to be assigned to a team. Coaches are responsible for submitting their roster and communicating with their team. Schedule requests from coaches must be written on team rosters and will be accommodated when possible...but not guaranteed.

*Team rosters **MUST** be submitted by October 7 for scheduling purposes and rostered players must be paid in full prior to the first game of the session.*

Players may only register for one team per division and those registering after the October 7th deadline will be accepted based on availability. All players must wear shin guards and sneakers/indoor turf shoes.
